Absolutely Amazing! Work with Ron!

Ron was both an excellent officiant and DJ for our wedding in early October. We met him at the Estes Park Wedding show last year and he was personable from that moment on. He took the time to meet with us repeatedly throughout the year, was quick to respond to questions, and helped us troubleshoot a very complicated sand blending ceremony. He blended our love stories together so sweetly that it had so many people, including us, crying happy tears. The music was phenomenal and the layout of the entire wedding went off so smoothly. Ron had everyone on the dance floor and had 70+ people dancing all night long until the venue closed. Such an incredible experience and he did an incredible job. I highly recommend working with Ron for his officiant and DJ
